LBO The Leader lanka business online In Business And Financial News

Lanka Business Online (Private) Limited is an established player, well recognized & respected in the local media/advertising/telco industry, for its creative drive for innovation in the media & marketing services landscape.

We pioneered Online Business Media properties in Sri Lanka a decade back & are proud owners of the country's most respected Business media brand LBO. We are available on myriad of mediums, ranging from Web, email, mobile, Online Videos, SMS & most unique LBR LBO C-level corporate forums held on-ground.

Business Media – Business on-ground – We are pioneers in the league of providing intellectually stimulating experiences on-ground for the corporate/business elite via C-level forums: LBR-LBO CEO, CFO, CIO, CMO & HR forums.

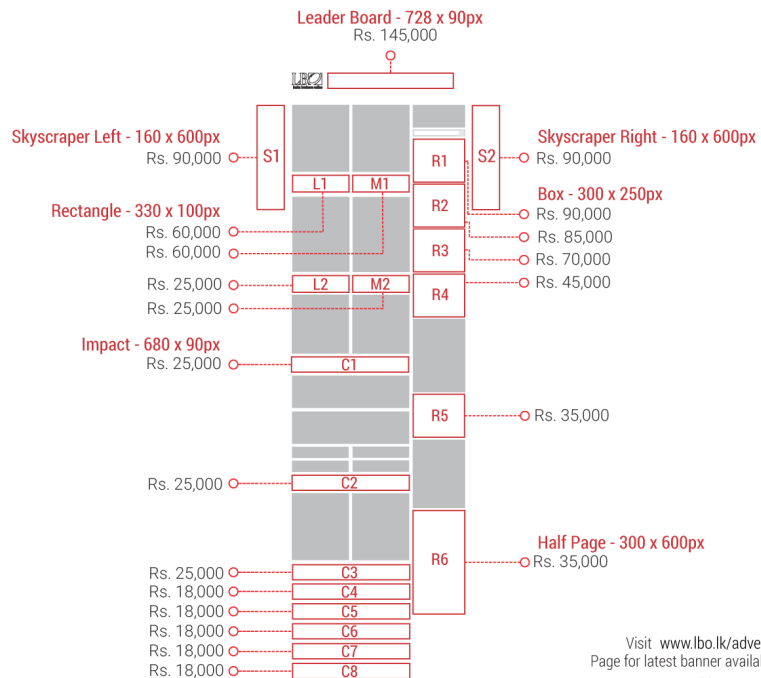

Content monetization & telecommunication partnerships – Our strengths lie largely in unmatched superior content, thus enabling us to partner with many global & regional big wigs in the content monetization business. Locally, we have close ties with all Celco's in the country for various content, technology & marketing services based wealth creating partnerships.
